Comprehensive Landscaping and Planting Inspection Checklist

Interactive checklist for inspecting landscaping and planting activities. Commentable and exportable as PDF/Excel, ensuring quality and compliance.

Project:

Date:

Filled by:

Plant Selection

1	Verify that plant species are suited to the local climate and soil conditions.
2	Ensure plants are healthy, free from pests and diseases.
3	Check that the quantity and size of plants meet project specifications.

Soil Condition

4	Test soil pH and nutrient levels to ensure suitability for planting.
5	Verify soil drainage and aeration for optimal root growth.
6	Ensure soil amendments are properly mixed and distributed.

Irrigation System

7	Inspect irrigation system for leaks and coverage.
8	Ensure timers and controllers are set according to the watering schedule.
9	Check that water pressure is appropriate for system performance.

Planting Practices

10	Verify planting depth and spacing are correct for each species.
11	Ensure mulch is applied to conserve moisture and suppress weeds.
12	Check that staking and supports are properly installed.

Maintenance

13	Inspect regular maintenance schedule for pruning and fertilization.
14	Verify that pest control measures are in place and effective.
15	Ensure records of maintenance activities are kept up-to-date.

Introduction	How to use this checklist
<p>The Landscaping and Planting Inspection checklist is designed to ensure the quality and sustainability of landscaping projects. It covers essential aspects such as plant selection, soil condition, irrigation, and maintenance practices. The checklist helps inspectors verify that landscaping activities comply with environmental standards and project specifications. By using this interactive checklist, users can tick off tasks, leave comments, and export their findings as a PDF or Excel file, complete with a QR code for authenticity. This ensures that every project is completed to the highest standards, avoiding costly rework and ensuring client satisfaction.</p>	<p>1. Click the "Use this checklist" or "Start Interactive Checklist" button to launch interactive mode. 2. Tick each item online as you complete it. 3. Add comments on individual items or the entire checklist. 4. Click Share or Download to download your completed checklist as PDF or Excel.</p>
